Return this form with your check (made out to GreenNet) to: Julie Samuels, Openlands, 25 East Washington St., Suite 1650, Chicago, IL 60602; jsamuels@openlands.org or fax: 312/863-6251

The income from this annual event supports GreenNet activities for community gardeners and greeners all year long such as the Community Greener Potuck and Greener of the Year Awards and the County Fair in the fall. If you work for an organization that promotes public openspace and are interested in becoming a member let us know. Membership not only lowers the exhibitor fees for Green and Growing Fair but you will enjoy the benefits of close networking relationships with other member organizations and individuals who are dedicated to the same purpose. Partnerships and collaborative projects are more likely to become reality when you know the 'greening' news & trends before they happen!
